WHO ARE WE?

We're a nursery school for preschool and pre-kindergarten children between 3 and 5 years old. We're a non-profit organization wholly owned and operated by the Point Pleasant Presbyterian Church.

WHO MAY ATTEND ?

Point Beach Prep's inclusive, non-sectarian program is open to all pre-school children between ages 3 and 5 who are "potty trained" and can benefit from the education we offer. We admit students without consideration of race, color, creed or national origin.

WHAT IS THE SCHEDULE?

Point Beach Prep will open in September, 2009, with a calendar that generally follows the Point Pleasant Beach School District Calendar (with the exception of the Teachers' Convention and Parent Conference days and several Monday holidays). Typical schedule:

3 year olds: 8:30 am - 12 noon

4-5 year olds: 9:00 am - 12:30 pm

(If there is sufficient demand, we will offer an afternoon option as well.)

HOW DO THE CHILDREN LEARN?

Point Beach Prep follows an educational philosophy based on the work of Jean Piaget. The emphasis is on learning through play. Students will pursue activities such as Science, Dramatic Play, Blocks, Creative Art, Math/Manipulatives, Music and Movement, and Library.

WHAT ABOUT SOCIAL SKILLS?

We believe an excellent pre-school program encourages growth of the whole person. Academic knowledge and pre-school readiness are vital, but so is the ability to get along with others, work beside others, and play with others. Our teachers will not only teach, but also model caring, acceptance and healthy communication as they nurture self-esteem and build community.
